INTRODUCTION

This Directory contains a list of private schools by province and city or town. The list is presented in alphabetical order by city, and by school name within city. Information is provided on each school's language of instruction, enrolments, grade levels, type of student enrolled and type of French Program offered. Each provincial department or ministry provides Statistics Canada with a list of those schools that are certified by the provincial authorities, and are active as of September 30 of the survey year. While some schools have been excluded from the directory at the request of the principals, the great majority of private schools are included.

Some of the information given for each school is provided in code form to the right of the school's telephone number. These codes are explained on the following page.

INTRODUCTION

Ce Répertoire contient une liste des écoles privées par province et ville. La liste est presentée en ordre alphabétique par ville, et par école. Les renseignements sur chaque école incluent la langue d'enseignement, le nombre d'effectifs, les années d'études et les catégories d'élèves inscrits. Chaque département ou ministère de l'éducation provincial fournit à Statistique Canada la liste de ces écoles qui sont certifiées par les autorités provinciales. La date de référence est le 30 septembre de l'année scolaire. Même si les directeurs de certaines écoles ont demandé que leurs écoles soient exclues du répertoire, la grande majorité des écoles privées y sont incluses.

Les renseignements relatifs à chaque école apparaissent comme codes numériques ou alphabétiques. Ces codes sont définis dans les pages suivantes.
